SHAPED FOR GLORY

During the Great Depression, a good man lost his job, exhausted his savings and forfeited his home. His grief was multiplied by the sudden death of his precious wife. The only thing he had left was his faith—and it was weakening.

One day he was combing the neighborhood looking for work. He stopped to watch some men who were doing the stonework on a church building. One of these men was skillfully chiseling a triangular piece of rock. Not seeing a spot where it would fit, he asked, “Where are you going to put that?” The man pointed toward the top of the building and said, “See that little opening up near the spire? That’s where it goes. I’m shaping it down here so it will fit in up there.”

Tears filled this good man’s eyes as he walked away. A message to him seemed clear through the words: “Shaping it down here so it will fit in up there.” He found new meaning to his difficult situation.

Some of you are going through terrible troublesome times. You may be experiencing some heartbreaking sorrow. Or perhaps you are enduring some painful physical illness. Or it may be something else—maybe even too excruciating to talk about to anyone. The blows of the hammer and chisel hurt.

But hold too your faith. These difficulties won’t get you down. They are only temporary. Glory is coming. It’s the harsh blows to the outward man that often bring the greatest strength to the inner man.

Keep praying. Keep believing. The master has to do some shaping of us down here so we will fit in up there.

Goliath Must Fall

By: Louie Giglio

Winning the Battle Against Your Giants

It’s Not the Height of the Giant ... but the Size of Our God

It’s likely you have a giant in your life. It’s holding you captive, intimidating you with its taunts, and stealing your joy. Adversaries like fear, anger, addiction, and others can stake a claim and, before you know it, gain a foothold in your heart. How do you live as if these giants are dead and silenced once and for all? In this six-session video Bible study, Louie Giglio examines the David and Goliath story to show how: by focusing on the size of our God, not the height of your giants. As they go down, you gain freedom to walk in Christ’s victory already won over the enemies that rob you of God’s best for your life.

Date: Starting Sunday March 11th

Place: Fellowship Room

THOUGHT FOR THE WEEK

THESE SEVEN THINGS I HAVE TRIED...

Laughing at difficulties,
and I have found them disappearing.
Attempting heavy responsibilities,
and I have found them growing lighter.
Facing a bad situation,
and I have found it clearing up.
Telling the truth,
and I have found it most rewarding.
Believing men honest,
and I have found them living up to my expectations.
Trusting God each day,
and I found Him surprising me with all His goodness.

If you are visiting today, welcome! We are glad that you have joined us in worshiping our God. Please feel at home with our family, and let us know how we can serve you!
