*Choose the "Bread of Life," or you are toast.***NO ONE MADE IT**

Sir Isaac Newton was in his office one day when he received a knock at his door. He opened it to find a good friend of the scientific community who happened to be on the opposite side of the beginning of the universe controversy.

As he entered the room, his eyes were drawn to a large table on which sat a scale model of the universe. It was exquisitely detailed—painted even down to the circles of Saturn. It was mechanical—a handle caused the planets to rotate around the sun. This moving replica was an amazing sight.

"My, what a wonderful thing this is!" he exclaimed. "This is the most extraordinary thing that I have seen! What genius put this together? I should really like to shake his hand." Sir Newton replied, "No one made it." His Friend retorted, "you must think that I am a fool...Some very wise and talented person made this."

Newton's reply is still a wise answer to the current controversy. "This thing is but a puny imitation of a much greater system whose laws you and I know, and I am not able to convince you that this mere toy is without a designer and a maker. Yet you profess to believe that the great original from which the design is taken has come into being without either designer or maker. Now tell me, by what sort of reasoning do you reach such incongruous conclusions?" —Selected

"In the beginning God created the heavens and the earth."

—Genesis 1:1

GIVE THANKS TO THE LORD!

Don't you love early mornings? They're filled with promise. New day, new dawn, and a new chance to experience God's awesome love. He is pleased when we make a choice to give thanks early in the day. His enduring love never sleeps, so it meets us fresh every morning. Praise Him for that unfailing love, even before your eyes are fully open! —Selected

After consulting the people, Jehoshaphat appointed men to sing to the Lord and to praise Him for the splendor of his holiness as they went out at the head of the army, saying: "Give thanks to the Lord, for his love endures forever."

—II Chronicles 20:21

Keep your thoughts positive
because your thoughts become your words.
Keep your words positive
because your words become your behavior.
Keep your behavior positive
because your behavior becomes your habits.
Keep your habits positive
because your habits become your values.
Keep your values positive
because your values become your destiny.
