YOUR FABRIC STASH CAN BLESS OTHERS!

When Afghanistan refugees come to Oklahoma City, they come with very little. One of the new ministries of the Memorial Road Church of Christ is supplying them with fabric so that they can make clothing and household items. It has been very popular among refugees.

If you would like to contribute to this, please bring the fabric to the church building fellowship room. There will be a table set up at the west end of the room to place the fabric. Please leave the fabric by May 1st.

- Any kind of fabric is accepted, except fur or polar fleece.
- The pieces donated should be 2 yards or more.
- The fabric is being used to make clothing, curtains, large pillows (which they use to sit on), etc. Those who have received fabric of their choosing have expressed great gratitude for this ministry.

If you have any questions, call Helen Norris at 620-326-1435 or email her at: thnorfarm@hotmail.com.

FROM THE PREACHERS DESK

True Repentance

In our text this week, one of the things we'll touch on is the nature of true repentance.

It's a very interesting thing to observe that in the scriptures we see people who feel regret after they have sinned, weep after they have sinned, feel convicted when confronted about their sin and even confess that they have sinned, and all without ever repenting of their sin.

The study of true repentance is a truly sobering study because it leads one to eventually ask the hard question, "Am I guilty of not actually repenting?"

I don't mean repenting of an individual sin- I mean the repentance that leads one to salvation.

The first and greatest of all repentances, and the one that matters the most, is the repentance from whatever "god" is to you to the true God.

This repentance is characterized by a complete life change – from your way to God's way, from your thinking to God's thinking, from trust in your good works to only trusting in God's works, from the acceptable lifestyle of the world to what is acceptable to God.

It's a transformation as amazing as the transformation of the caterpillar to the butterfly. It's a transformation born of a burning desire to follow the Lord Jesus after having believed in Him and His accomplishments.

There's a fruit that true repentance produces as well. John the Baptist told the Pharisees and Sadducees that came to him in Matthew 3:8, ...bear fruit in keeping with repentance;

What did John mean? He meant that repentance is more than words. It's more than being religious. It's more than even being orthodox, believing the right things.

True repentance is always characterized by change. It's a change that begins in the heart and mind but manifests itself in the life of the individual. It's a change in word and deed, but even more than that. It's a change that is willing to sacrifice anything- to give up anything- to follow the Lord Jesus in faithful obedience.

We'll discuss this further and more in the Sunday morning sermon.

Much Love!
